Term 4 Week 6 Newsletter

21st November 2025

Principal's Message

2025 continues to steam ahead, and it is hard to believe there are only a few weeks left in the school year. Despite the limited time remaining, it has been fantastic to see our students and staff keep their foot on the pedal and maximise learning opportunities.

Last Monday, our staff participated in a School Development Day. Together, we analysed a range of data, reflected on our progress, and made recommendations to further strengthen the high standard of education at Kalgoorlie Primary School. It was an outstanding day, and I would like to acknowledge our staff for their commitment and engagement. Many were so focused they chose not to stop for recess or lunch! We are now finalising our School Development Days for 2026, so keep an eye on Seesaw for updates.

Next Friday is our Colour Run, which promises to be a fantastic event. I cannot wait to see how much the students enjoy it! If you have not already, jump online and get some last minute fundraising in. Parents are welcome to join the course, and we still need more volunteers to help out. A big thank you to Bianca Mitchell, Courtney Armstrong, and Keirra Carmody for their hard work in organising this event. If you would like to get involved, come along to the P&C meeting on Monday at 6.30pm in the library.

In the coming weeks, we will say goodbye to Chris Patea. Chris has been part of Kalgoorlie Primary School for 15 years, first as a cleaner, then running the canteen, and most recently as Head Cleaner. Chris is a prime example of what makes KPS so special: she is here rain, hail or shine, always gets stuck in, and completes her role with excellence. Chris will be joining her husband's rapidly expanding business, and we wish her all the best and hope she enjoys a well deserved sleep in beyond 4.30am!

One of the things that makes Kalgoorlie Primary School special is the strong curriculum we offer. A great example is InitialLit, which we use in our Pre-primary to Year 2 classes. InitialLit is a program that helps children learn to read and spell by teaching them the building blocks of language in a clear and structured way. It focuses on phonics (how letters and sounds work together), vocabulary, and understanding what they read. This approach gives every child the best possible start in literacy and helps us quickly support anyone who needs extra help. We are seeing fantastic progress from our students using this program.

Have a great weekend and see you at Spudshed!

Mrs James - Room 10 (Year 3)	Dan	Chase			
Mrs Holdaway - Room 6 (Year 4)	Nina	Jack			
Miss Johnson - Room 7 (Year 4)	Ava	Insea			

**Congratulations to Week 4
certificate recipients!**

Attendance News

Congratulations Room 9 for winning the Attendance Award for the most improved attendance this fortnight!

Summer Lightning Carnival

Our Year 5 and 6 students hit the courts and ovals in this year's Summer Lightning Carnival, competing against other local schools in basketball, cricket, tee-ball and tennis.

As always our students represented KPS with amazing sportsmanship, effort and skill and came out on top in both tennis and basketball.

Congratulations to all our students involved and thank you to Ms Henderson for co-ordinating the event.

Kindy News

On Friday of Week 9, Kindy students will be celebrating a wonderful year of learning!

All Kindy classes are invited to attend along with their parents, to be a part of this special Assembly in the Undercover Area, followed by a picnic.

Student Elections

On Friday of Week 4, Year 5 students wishing to nominate for Student Councillor or Faction Captain positions in 2026, took to the stage to deliver their speeches. In an impressive display of courage, 32 prospective Councillors and 29 Prospective Faction Captains, confidently shared their ideas, goals and passion for KPS before students in Year 3-5 voted for their top picks.

The 2026 Leadership Team will be announced at the Book Awards Assembly in Week 10.
