Dear Parents and Families,

I am writing to share details about our upcoming School Concert, which will be held on Wednesday the 17th of December, beginning at 6pm. This event is a special tradition at Kalgoorlie Primary School and provides a wonderful opportunity for our community to come together and celebrate the year in a fun and relaxed atmosphere. Each year level will perform an item, and this year's theme is 'Colours', which promises to bring a vibrant and joyful energy to the evening.

To help make the night as enjoyable and respectful as possible, I ask that families keep the evening so that all students can participate fully. We will do our best to ensure the concert runs efficiently and smoothly; it should be around an hour in length. Students are to remain seated with their class groups for the duration of the concert. This helps maintain a respectful environment for all performers and ensures that each child's efforts are acknowledged and appreciated. When students move around the oval during performances, it can distract from the experience on stage.

Thank you for your continued support. With your help, I am confident we can make this a fantastic celebration of our students, staff and families. If you have any question or suggestions, please feel free to come and have a chat.

Kind Regards,

Ash Ferguson

Principal
