Dear Parents and Families,

I am writing to let you know of an upsetting and challenging situation within our Kalgoorlie Primary School community. One of our Kindy students, Hayan, was recently involved in a car accident. He is currently in Perth receiving medical care for significant injuries.

Our thoughts and heartfelt support are with Hayan and his family during this incredibly challenging time. As a school community, we will do everything we can to provide care and assistance to the family and to support our students and staff who may be affected by this news.

We understand that this may be upsetting for many of our students and families. If your child needs support or you would like advice on how to talk to them about this situation, please reach out to us. Our staff are available to help.

We will keep you informed about any ways the school community can offer practical support to Hayan and his family. In the meantime, please keep them in your thoughts.

Thank you for understanding and compassion during this time.

Kind Regards,

Ash Ferguson  
Principal
