Dear Room 1 Parents and Families,

I am writing to let you know about a change in classroom arrangements for the start of Term 1. Room 1 will begin the 2026 school year in the Science Room.

This change is necessary due to a delay in the delivery of our new transportable building. The transportable was intended to be used as a Kindy classroom, so we have temporarily moved this Kindy group into Room 1, which is a purpose built early childhood classroom.

Room changes are never ideal, and this decision was not made lightly. Miss Naicker has been very busy over the holidays preparing the Science Room so that it is ready for Room 1 students to begin the term smoothly and comfortably.

Once the new transportable has been delivered, the Kindy's will be able to move out of Room 1, and Room 1 will be free for our Year 1 students. I will keep you posted with news as it comes to hand.

If you have any questions, please do not hesitate to contact me.

Kind Regards,

Ash Ferguson  
Principal
