Dear Parents and Families,

It is with great excitement that I write as we get ready to begin 2026. At this time of year, parents often fall into one of two categories. Some cannot wait for school to go back, and others do not want the holidays to end. Sometimes it is a little of both. I hope you have enjoyed the time with your children at home and are looking forward to the wonderful learning that will take place over the year.

All of our staff, including our small group of new team members, have arrived and are ready for a great start. I am constantly impressed by how engaged the staff at Kalgoorlie Primary School are. They truly go above and beyond.

We continue to wait for news regarding the arrival of our new Kindy transportable classroom. This wait has been made more challenging by enrolment numbers that are higher than expected, and the requirement to then open a new Kindy group, the Excavators. In the meantime, I would like to acknowledge the flexibility of our staff. Miss Carr's Kindy groups will work in Room 1, a dedicated ECE classroom. Room 1 will be operating in the Science Room until the new transportable building is delivered. I will share updates as soon as they become available.

As we begin the school year, I remind all families that school starts at 8.50am. Fitness and fine motor activities run from 8.30am. Due to duty of care and supervision concerns for students arriving very early, I ask that children do not arrive before 8.00am. The gates open at 8.15am. Please make arrangements to ensure your children arrive around 8.30am.

Please also be reminded that e-scooters and e-rideables are not permitted on Department of Education sites, including us, starting from Monday.

We have a very busy term ahead, and I am confident our students will continue to learn and grow. I look forward to seeing you at the welcome back BBQ on Friday at 1.15pm near the library. This will be a lovely opportunity to meet your child's teacher before school begins on Monday, grab a sausage sizzle and soak up the wonderful community atmosphere we enjoy at Kalgoorlie Primary School.

I am looking forward to a wonderful year. If you have any questions or concerns, please feel free to contact your child's teacher, Mrs Reghenazni, Mrs Fry or myself.

Kind Regards,

Ash Ferguson  
Principal
