Dear Year 6 Parents and Families,

I am writing with some updates around camp, which is from Monday the 19th of October until Friday the 23rd of October.

- We have locked in the staff attending. They will be Mr Harring-Harris, Ms Watson, Miss Coenan, Mr Rundle, Miss Cosh and Mrs McGinty
- The itinerary is currently being finalised. It generally will look as follows:
 - Monday – travel
 - Tuesday – Activity day at Ern Halliday
 - Wednesday – Fremantle day, including the Prison, Ciccarello's and Strike bowling
 - Thursday – Activity day at Ern Halliday
 - Friday – travel back from Perth and activities along the way
- We have had some issues with the train. To alleviate this, and reduce the overall cost, Andre Sullivan and Anthony Dehne have sourced two buses, courtesy of Worthy Parts and Top Drill.
- I am averse to have the students travelling at night. The travel to and from Perth will be a bit slower than usual, with a few more stops along the way. We are looking at arriving back in Kalgoorlie around 7pm on the Friday.
- Shenae Sylva, who is organising the Quiz Night at the Overload on the 12th of September, has created a group chat to make organisation easier. [Click the link here](#) or scan the QR code at the bottom. Please join so we can make the night as big as possible!
- Once we have a clear picture on price, we will let you know how much is outstanding.

Kind Regards,

Ash Ferguson

Principal
