Dear Parents,

As you are aware, Year 2, 3, 4 and Pre-primary students have swimming lessons in the first two weeks of Term 4. The timetable is below outlining the lesson times. Your child will attend eight 40-minute lessons over four days with two sessions running each day. Please note that school returns on Monday October 12 and swimming starts on Wednesday October 14 for the first group.

Students need to arrive at school with their bathers on under their uniforms to allow for efficient changing just prior to the lessons. Two-piece bathers are recommended, particularly for the younger students to support them with toileting during the day. Students also require a towel, change of underwear and a waterproof bag (zip up supermarket shopping bags are ideal). Goggles are optional but will remain the responsibility of the student throughout the lesson. Normal school shoes are required at school; however, thongs or sandals are permitted to be worn to and from the Oasis. Please make sure all items are clearly labelled with your child's name.

Parents are welcome to watch the lessons but no assistance in the changerooms is permitted
