

Term 4

Week 1

14th October 2026

KPS NEWS

Principal's Message

Dear Parents and Families,

As we head into the final term of the year, there is plenty happening around Kalgoorlie Primary School. Term 4 is always one of the busiest and most enjoyable terms, with lots of opportunities for students to learn, celebrate and make memories before the year draws to a close. We have a number of exciting events coming up and I'm looking forward to seeing our students make the most of them.

Swimming lessons begin this term for most classes. We will be continuing our trial of "double lessons" over a shorter period of time. The thinking behind this is simple. Less time out of the classroom, less disruption to learning, and hopefully fewer of the illnesses and absences that can sometimes come with a lengthy swimming program. The feedback from students, staff and families has been positive so far, and I'd like to thank all of the staff involved for helping make the program run smoothly.

Next week, our Year 6 students head off to camp. For many students, camp is one of the highlights of their primary school years and I have no doubt this year's group will make the most of the experience. A huge thank you to everyone who has helped reduce costs for families and assisted with sourcing transport. These things don't happen by accident and many people have contributed behind the scenes to make camp possible. I'm sure our students are going to have a fantastic time.

I'd also like to welcome Mr Trent Meyers to Kalgoorlie Primary School as our new Facilities Officer. Mr Meyers joins us with experience from CKB Parks and the Kalgoorlie Golf Course and has already made a strong impression. We are looking forward to seeing his knowledge and experience contribute to further improvements around our school grounds and facilities. At the same time, I'd like to sincerely thank Mr Dunphy for stepping in and helping out during the transition period. His support was greatly appreciated and we wish him all the best as he begins his new role with CKB.

Carnival
World Teachers'
Day

6th November

T1 Assembly
Student Leader
Elections

Families will receive class request forms next week, along with some information about how class placements are determined as well as the structure for next year. We genuinely do our best to consider every request we receive. However, there are times when it simply isn't possible to accommodate every preference while still creating balanced classes that meet the needs of all students. I would ask families to avoid requesting specific teachers. Staffing can change between now and the start of next year, and importantly, we determine classes before we allocate teachers. We are fortunate to have a high-quality teaching team across the school and I am confident that every classroom is a place where students can thrive.

Thank you for your ongoing support of Kalgoorlie Primary School. We have a busy and exciting term ahead and I look forward to sharing the many successes, achievements and celebrations that Term 4 will bring.

Ash

Open Night

Open Night was the perfect way to cap off a huge Term 3, giving our students the chance to proudly show off their classrooms, learning and all of the hard work they've put in throughout the term.

There was such a great atmosphere across the school, with families moving through classrooms, chatting with teachers and celebrating everything our students have achieved.

A huge thank you to our families for coming along and supporting the night and to our wonderful P&C for keeping everyone fed along the way!

A great night, a great term and a great way to celebrate our KPS community.

ECE Athletics Carnival

Our youngest athletes took to the track for a morning full of running, jumping, cheering and plenty of smiles. It was wonderful to see them having a go, supporting their friends and soaking up all the excitement of their very own athletics carnival.

Days like this really show why KPS is such a family school. What a turnout from our parents, carers and families, all there to cheer on our little athletes and make the day feel so special.

A huge thank you to our ECE staff for all of the planning and encouragement, to our families for getting behind the event and to Queen Bees Coffee for keeping everyone fuelled and ready to go.

Interschool Athletics Carnival

Our students competed against schools from across the Goldfields at the Interschool Athletics Carnival and gave absolutely everything from start to finish.

The effort was huge, the cheering was loud and the smiles in the tent and out on the track said it all. Our students backed each other, celebrated every result and represented KPS with pride all day long.

We're incredibly proud to announce that KPS has taken home the shield again this year!

What an effort from our whole team. To continue this amazing run of sporting success is something pretty special and a credit to the determination, teamwork and spirit of our students.
