Term 4 Week 5 12th November 2026

KPS NEWS

Principal's Message

Dear Parents and Families,

The term is whooshing past us, we're already at the half way mark!

A reminder that our much-anticipated Colour Run takes place tomorrow. This is always one of the highlights of the school calendar and promises to be a fantastic day of fun for our students. A huge thank you must go to our wonderful P&C for their organisation, support and commitment to making events like this possible. Their efforts provide valuable opportunities for our students and help strengthen our school community. It seems I might get lucky and avoid the chicken suit this year!

Please note that Monday is a School Development Day, with no students attending school. Staff will spend the day reviewing student achievement data and evaluating our progress against our school priorities. This important work helps us identify what is working well and where we can make further improvements as we begin planning for 2027 and beyond. Continuous improvement is a key focus at Kalgoorlie Primary School, and these days provide valuable time for staff to reflect, collaborate and plan for the future.

Over the past fortnight, we have also held our Student Leader Elections for 2027. I was incredibly impressed by the courage shown by our Year 5 students, with so many putting their hands up for Student Councillor and Faction Captain positions. Standing in front of a large crowd and delivering a speech, knowing there are more candidates than positions available, takes genuine bravery and resilience. Every student who nominated should be extremely proud of themselves. As is tradition, our successful candidates will be announced at our end of year Book Awards ceremony. Thank you to our Year 5 teachers and to Mr Harring-Harris, our Student Leader Coordinator, for the support and preparation they have provided our students throughout the process.

Finally, if you wish to submit a class placement request for 2027, please do so as soon as possible. Thank you to the many families who have already provided information. In my experience, around 99% of parent requests are already considered by teaching staff during the initial class allocation process. However, it is always worthwhile submitting a request if there is relevant new information or circumstances that the school may not be aware of.

Have a great week!

Outdoor Classroom Day

Thursday 5th November was Outdoor Classroom Day. Room 3 took advantage of the beautiful spring weather to move their learning outside as part of writing.

Students created characters using natural elements found in the outdoor environment and then used them as inspiration for their narrative planning. With the help of Miss Baxter, students also wrote some tricky words using watercolours.

What a great way to inspire creativity in our natural environment - well done Room 3!

Summer Lightning Carnival

Our Year 5 and 6 students recently enjoyed an exciting day of competition at the Summer Lightning Carnival, showcasing their sporting talents, teamwork and school spirit across a range of events.

Competing against other Goldfields schools in tee-ball, basketball, cricket and tennis. There were some fantastic results across the day, with several teams achieving podium finishes!

While the results were certainly worth celebrating, what stood out most was the outstanding sportsmanship displayed by our students. They encouraged one another, showed respect towards their opponents and officials, demonstrated resilience and represented our school with pride.

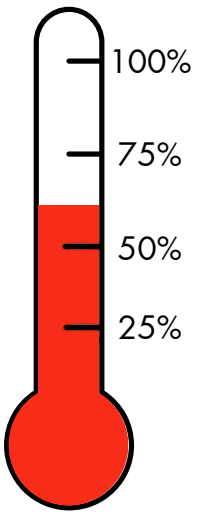

Contributions Reminder

In order to enrich the opportunities available to your child in school, we request all families to contribute to the school amenities fund.

The contribution is used to replace worn equipment, buy new equipment and provide special materials as needed.

Parents are requested to pay the contribution during the first two weeks of school.

Student Leader Elections

Last Friday the 2027 Student Leader Elections were held with a record-breaking number of nominations! Over 40 Year 5 students put their hands up for leadership positions and delivered speeches to their fellow students, showcasing their confidence, enthusiasm and commitment to our school.

We were incredibly impressed by the quality of all speeches, with every student doing a fantastic job of presenting themselves and sharing why they would make a great leader.

Our Faction Captain nominees also had the opportunity to deliver their speeches, with some students putting themselves forward for both leadership roles.

A huge congratulations to everyone who nominated themselves and had the courage to stand up and speak.

The 2027 Student Leaders will be officially announced at our Book Award Ceremony in Week 10.

P&C News

Our Colour Fun Run is happening this Friday, the 13th of November.

A big thank you to everyone who has already signed up. All students who have registered will receive a colourful headband and sunnies to wear on the day.

We would love to see a few more students signed up, so it's not too late! A $10 donation will get your child a prize. Just remember that prizes need to be selected between 12th and 19th November, so don't forget to log on and choose your child's prize.

A few important things to remember for the day:

- Students should come to school dressed in their normal school uniform. They can either bring a white shirt to change into at lunchtime or wear their white shirt underneath their uniform.
- Please pack a towel for the car ride home.
- We will kick things off at 1:45pm from the basketball court.

Don't forget, that the class who raises the most money through our fundraising efforts will score themselves a well-deserved PIZZA PARTY!

The competition is heating up with T3 currently in the lead.

There's still time for other classes to catch up though, so keep those donations coming!
